Western Australia & Northern Territory

22 May - 24 June 2009

Opportunities like this are rare. We have put together a blend of three separate tours, which are full of adventure and unforgettable experiences. Choose the entire journey or select a combination of your preferred tour options.

Travel safely in a small group with a very experienced tour operator who thrives on taking people to remote and exciting locations; locations which are varied and often very remote. Not many chances for shopping!

You will be stimulated by the diverse environments as you journey through some of Australia's most spectacular landscapes and encounter a range of diverse fauna; a photographers dream! Interacting with some of the desert dwellers is an unforgettable encounter.
